Director of Human Resources

5 August 2010

Mr. DeLeon,

I understand that at approximately 4:35 PM on 27 July 2010 you attempted to call me at home. If this is regarding the request I sent you for a full and unedited copy of my personnel file (dated 21 July 2010), I have been advised to restrict our correspondence to mailed letters in order to assure transparency and accountability. Should release of the personnel file (to the individual in question) be against BPU policy I would like to be advised of this immediately. If there are other issues you wish to discuss, they should be restricted to mailed letters as well. All letters will be given top priority and immediate response.

My request was, and still is to investigate my untimely and unwarranted dismissal from employment, and in compliance with section 1.15 of the 2004 KCBPU Employee Handbook. Therefore, I must insist that the file include the “trend” that the reviewing officer “saw” and “did not like” during the 8 July 2010 meeting as well as the “violations of the Collective Bargaining Agreement and rules of the Employee Handbook” from the letter dated 13 July 2010.

Your prompt attention to this matter is expected.

Regards,

SSgt Kenneth Snyder
